

JULY EDUCATION (SUMMER PROGRAMME) POLICY

DESCRIPTION OF SCHOOL:

DESCRIPTION OF JULY EDUCATION (SUMMER PROGRAMME):

This Programme is an extension of the school year for children with a severe or profound general learning disability or children with an Autism Spectrum Disorder (ASD). Accordingly, the terms and conditions governing staffing and resources in the regular school year are also applicable to the July Programme unless otherwise stated. Staffing resources in excess of the current allocation to the class (es) providing the programme will not be approved.

AIMS:

The key principles and approaches of the Summer Programme is to:

- Consolidate relationships with their schools, their teachers and their peers
- Build upon their existing learning, their readiness for learning and, to the extent that is possible, reduce regression in learning
- Develop resilience and experience of wellbeing by promoting a sense of safety, calm, connectedness, self-efficacy, and hope.

SUMMER PROGRAMME IN ST PAUL'S SPECIAL SCHOOL
